## ***Media Advisory SAPD Seeking Public Assistance***

The San Antonio Police Department is asking for the public's assistance in locating the suspect vehicle pictured below. (Black or Blue Jeep Commander) On November 13, 2011, at 2:15 a.m. our victim (Miguel Alonzo) was in the parking lot of 286 W. Bitters when he was struck by the suspect vehicle. The victim was transported to University Hospital where he later died from his injuries. Detectives were able to obtain a description of the suspect who is pictured in the attached sketch. They believe the suspect is a Hispanic male approximately 25-35 years of age, 5 ft tall, stocky build with short shaved hair. He was with a Hispanic or White female that was approximately 6 inches taller than him. Homicide Detectives are urging anyone with information on the whereabouts of the vehicle or the suspect pictured in the sketch to call Crime Stoppers at 224-STOP or the Homicide Unit at 207-7635.

### **A Model City for all America: San Antonio**

*San Antonio is a model city for the new face of America—a diverse, progressive and globally competitive city with a solid vision for national and international economic development. The City of San Antonio maintains a strong financial position with a “AAA” general obligation bond rating from all three major rating agencies. The Milken Institute has ranked San Antonio No. 1 on its Best-Performing Cities list. As the seventh-largest city in the United States, San Antonio is experiencing solid economic growth in 21<sup>st</sup> century industries such as bioscience and healthcare. Biotech companies and healthcare systems in San Antonio contribute billions to the local economy. The Aerospace industry remains a dominant economic strength in San Antonio with the presence of several aviation and aerospace corporations, including the military. The military has had a significant relationship with San Antonio for more than 200 years and is home to several military commands. The city is also a cybersecurity hub; nationally recognized as a leader in the field of information security. San Antonio is positioning itself to be at the forefront of the New Energy Economy in the United States, committed to investing and creating employment opportunities in green industries. The travel industry also remains a consistent growing economy for the city, as millions of people visit San Antonio on a yearly basis.
